

The Mark Way School

Provider Access Policy Statement

All pupils in years 8-11 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point at appropriate academic levels.
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events
- to understand how to make applications for the full range of academic and technical courses.

Management of Provider Access Requests

A provider wishing to request access should contact Lester Culley (Careers Lead) 01264 35183, l.culley@markway.hants.sch.uk

Opportunities for Access

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to pupils and their parents and carers. Please speak to our Careers Lead to identify suitable opportunities for you.

Premises and facilities

The school will make the main hall, classrooms or meeting rooms available for the provider to hold discussions with students. The school will make available appropriate technology to support presentations and activities. This will be agreed and booked in advance with the Careers Lead. Providers are encouraged to leave copies of their prospectus and course literature which is available to students in the Careers Office at all times.

Safeguarding

Our Safeguarding Policy outlines the school's procedure for checking the identity and suitability of visitors. Education and training providers will be expected to adhere to this policy.
