Parent Governor Vacancy

We have a vacancy for a parent governor which we need to fill as soon as possible. Mark Way School has always aimed for a partnership with parents which undoubtedly brings great benefits to the children. One of the most significant ways you can help in promoting this aim is to volunteer to be a parent governor.

The governing body's main tasks are:

- to ensure that the school has a clear vision, ethos and strategic direction;
- to hold the headteacher to account for the educational performance of the school and its pupils;
- to oversee the financial performance of the school and making sure its money is well spent.

Parent governors are welcomed as valued members of the team and play a vital role in ensuring the governing body is aware of the views of parents and the local community. We feel sure that there are parents prepared to take on this important role and give their time and commitment to helping us to continue to improve the school's performance.

In looking to fill this vacancy the governors of the school have identified the following skills, experience and attributes that they feel would help strengthen the governing body:

- A moral purpose that seeks the best for young people with SEND
- High aspirations for someone with SEND

Training and support will be available to help you develop into the role. This will include in-house mentoring and support as well as access to external governor training.
