Acting Headteacher: Mr Lester Culley

Tuesday 9th September 2025

Dear Parents and Carers

Jeans For Genes Day

Next Friday 19th September 2025 we will be taking part in the national Jeans For Genes Day. Students can wear jeans and a normal top (not school polo's) in exchange for £1 towards the Jeans For Genes charity.

There are around 6,000 genetic disorders.

It is estimated that one in 25 children is affected by a genetic disorder. 30,000 babies and children are newly diagnosed in the UK each year.

Some genetic disorders are apparent at birth while others are diagnosed at different stages throughout childhood, and sometimes into adolescence.

Jeans for Genes Day is the annual fundraising campaign for Genetic Disorders UK, the national charity that supports individuals and families affected by a genetic disorder.

Monies raised on Jeans for Genes Day fund the work of the charity and provide grants to organisations for projects that aim to transform the lives of children with genetic disorders.

Please help us to raise as much as we can towards this valued charity.

Thank you for your support
