Acting Headteacher: Mr Lester Culley

Friday 19th September 2025

Dear Parents/Carers of students in Years 7, 8, 9 and Class 9/10F

I am writing to inform you that starting from this week and continuing throughout the year your child will be working in food technology and cooking every other week as part of their Design and Technology course.

To support families during difficult financial times we have decided to reduce the amount we are asking as a contribution. For this academic year we will be asking for £19 towards the key ingredients used in these lessons which are provided by the school as normal.

Payment can be made weekly (£1) or in full, via your child's Scopay account or cash/cheque sent to the school office in an envelope marked with your child's name and class.

In accordance with the school governors charging policy pupils will not be prevented from participating due to financial reasons, therefore if you are unable to contribute please contact me at school as soon as possible and the school may be in a position to help with the money.

I would also ask you to confirm whether your son/daughter suffers from any food allergies, e.g. colourings, nuts, fish etc.

Pupils will be required to bring in a container to take their products home in. Details of the container needed will be given to the pupils in the week prior to each lesson.

Thank you for your continued support.

Yours sincerely,

Mrs Wignal

Food Technology Teacher

Food Technology

Pupils name.....Class.....
